Mr. Lovett was a great role model for me during my fours in NJROTC at Sterling. Took a few of us to Visit Howard University during a competition in Washington, D.C. I ended up graduating from there and meeting my wife there.

Mr. Lovett was great! I was in the NJROTC for only 1 year at Sterling in 84-85, and yet a positive impression of the firm yet caring man still endures to this day.

Mr. Lovett was my High School NJROTC instructor at Ross Sterling High School. He was a mentor and went out of his way to instill confidence in me. He taught me the importance of integrity, attention to detail and not importantly to respect and love myself. As a result of his dedication and support, I graduated from Ross Sterling High School and attended the United States Air Force Academy. I am now in the midst of entering my 20 year point serving my country in The USAF and I owe much of my achievements to the great start I had in High school with Mr. Lovett. Rest In Peace.

Sue Thibodeaux lit a candle in honor of Ollie.

Ollie, my dear friend, I know that you are now with our Heavenly Father and are no longer in the pain and suffering of your earthly body but are now in our destination, Heaven, where there is no more tears, sorrow and pain. As, that is true, it makes the memories of stories and a life shared as we shared with one another in our Saturday morning times of years ago more important and poignant. Much love and many prayers, Sue Thibodeaux Lord Jesus Christ, by your own three days in the tomb, you hallowed the graves of all who believe in you and so made the grave a sign of hope that promises resurrection even as it claims our mortal bodies. Grant that our brother, Ollie John Lovett, may sleep here in peace until you awaken him to glory, for you are the resurrection and the life. Then he will see you face to face and in your light will see light and know the splendor of God, for you live and reign forever and ever. Amen.
