She and I shared many school memories together beginning at George Washington Junior High School to Howard W. Blake Senior High School. When she went to Talladega College from 11th grade, then came back to March with us at graduation time we all boasted on her and bragged as if it was us who accomplished the great task. Over the years we kept in touch on the phone and through the Blake Class of 1959 Alumni. Will miss her and all the phone conversations about what we had gleaned from the word of God, our love for our kids, grandkids, talking about, world affairs, old times, old friends, classmates, education and how Tampa has changed. Thanks for sharing your loved one with my family over the 66 years 1953-2019. She will forever be remembered in our hearts and you the family will be kept in our prayers. God is your keeper. Forever yours. Sister in Christ, Friend, classmate of Alberta Yvonne Helen Dixon Johnson, this is how I always addressed her and she knew it was me on the phone or answering machine.
