"God looked around his garden and found an empty place. He then looked down upon the Earth and saw your tired face. He put his arms around you and lifted you to rest. With the help of his angels they flew you to your heavenly place". You were more like a little brother to me than a cousin I will always carry you in my heart you fought a good fight . My condolences to your children and grandchildren and all love ones left behind. Love you to the moon and back rest in heaven. Dianna Carrere

To the Children and Grandchildren of Cousin Gary King, We extend our condolences to you on the loss of your Father and Grandfather. We know that there is no Sorrow or Grief that Heaven can not heal. Although we may want to question all of the whys and Gods timing, we have to trust the fact that Mr. Gary King had to respond to Gods command. We were grateful to hear from him through Social Media. It was good to see his responses of "Bless you" and to see his shared thoughts. Family and friends were all created by one God. Although we have not known each other face to face. The Lord commands that we LOVE one another as He loves us. With that being said. Our hearts understand this difficult time and seperation of life. As I know it best, it is better to Trust in the Lord and lean not to your own understanding. Acknowledge and count on Him ALWAYS and your walk through this life will be made easier and better throughout each step of the way. Consider this time to support and hold each other up. The little ones are depending on and watching how we choose to walk through this time and the days in front of us. Be encouraged, Pray often and keep the best memories of Gary tattooed on your hearts. Yours in Christ, Cousin Patti Oliver Bailey and family Seattle Washington Tuesday, July 9th 2019
