Shawntae, I know your dad is so proud of you and the path he set you on towards living a good and godly life, and also the accomplishments you've made over the years. He knows you're going to be alright, him and your mom are smiling down and watching over you. I know you truly miss them both, and that they loved you dearly. My heart, thoughts and condolences go out to you on the loss of your father. May God continue to dispatch His angels to watch over and comfort you. Much love.

Karon went above and beyond in making sure you Cedric was very well taken care of. I'm only sorry that I met you at a time where I couldn't fully see the fun and love she shares about you, and talk so highly of. Your love for her shows in her heart, and all the memories she share of you two together. You're going to truly be missed by your loving and supportive wife, your family and friends. My thoughts and prayers are with them all during this season of loss. RIH Mr. Cedric Anthony Nix.

Took such good care of my cousin...watching them as adults was therapeutic and a blessing. Shawntae is the beautiful, self-assured, intelligent, highly educated, compassionate and hilarious woman that she is today because she is one half Cedric Bo Nix.
