Praying for the family on this day and beyond. I've shared many memories with Jakobi as well as the family throughout Little League Football (ADC) with my late husband Cedric Curry I remember Jakobi played a little while but then he began to like Basketball more which was a awesome sport as well. But there wasn't a day he wasn't there to support his younger brothers playing on the field and his little sister cheering along the sideline. My heart goes out to the family. I love you guys and I'm praying for each and every one of you. Sincerely Quila
