Sister Gentry always had a pleasant smile when I saw her. When we chatted, I found out that we had a few things in common. We were both from Brenham/Washington County. We both worked for Texas Commerce Bank/Chase and that we were both laid off. The thing that I am most happiest about having in common with her is that we both knew and serve a risen Savior who has prepared a special place for each of us. Sister Gentry transitioned from Sikes to her prepared mansion. Be encouraged, be comforted knowing that God will give you daily strength as you journey through this painful time of loss. Regards, Dorothy Jenkins

To Sharlyn, Pam, Sandra Kay, and Mr. JD, may you find peace in the loving memories of seconds, minutes, hours, days, weeks, months, and years created with Mackee. May each memory fill the vacancy of her now lost physical presence; and may the Love that existed continue to blossom! Our sincerest regards, Doris Blocker and The Green Family
