Every moment spent was special. I'm grateful to have many memories of Aunt Lorine! From teaching me about building a lifestyle off hard work and smart thinking, the importance of entrepreneurship, being African American. Watching how she handled businesses, strength to stay consistent for 30+years. I Flashback to working on a house built for her baby sister (Ganny), to working in my adult yrs at the motel, to her dancing at Juneteenth, laughing at Thanksgiving to bringing in Christmas together. Through those memories and more she will always be with me & all who had the opportunity to have felt her presence. Will always think of you Aunt Lorine
