Sending sincere condolences to Dr. A and Gregg. Mrs. Anthony, I will miss you greatly. On our last conversation, I sensed a calmness and peace that I had not experienced before during previous conversations with you, not realizing that would be our last time talking. May you rest in eternal peace.

Precious memories live forever. My husband, Bill, and "Jimmy" were Howard University College of Medicine classmates. We had so much fun meeting up with Shirley and him at the national conventions. Shirley was always good spirited, vibrant and kind to others. She will be greatly missed. My prayers and sincere sympathy to Jimmy, Gregg and other family members at this difficult time.

Mom, My dear Mom, i will miss you. When I saw you last and you spoke to me, I could sense that time was near. However, I did not want to believe or accept that was the case. No one could ever fill your place for me. Whenever I needed you, you never let me down and went out of your way, making sacrifices to satisfy me. You didn't have to do it but you wanted to do it. I love you more than mere words could ever express. You fought well these last 18 months but God had higher plans for you. Rest in Heaven Mom and Protect me from Above. It is different, very different without you being here. Physically gone but Spiritually Forever in my Heart. So Long until we see each other again on the Other Side...

Today has been a beautiful day in the sense that my Mom was lifted to her home in Heaven. I thank my cousin Brian Weekes, who came from New York and my Aunt Shirley Anthony Branch and cousin Marcus Branch, who came from Maryland to attend. Also would like all of those who attended, those who were able to connect to the live streaming and all who wanted to watch but couldn't. The flowers sent were over the top. And with the calls, visits, texts and emails, Dad and I were able to get through this period of transition a lot easier. And Uncle Donald Anthony, I got your video right here [https://youtu.be/SlpLLOm\\_ZxA](https://youtu.be/SlpLLOm_ZxA) Can't forget to mention Justin Mabrie and the wonderful staff of Mabrie Memorial Mortuary for coordinating with us for the successful event and Ed Metoyer and Ali at Metoyer-Roy Printing for the beautiful program. God Bless Each and Every One of You, Love you All...!

My Dear Miss Shirlee, you will be greatly missed. I love the many times that we cooked together laugh together went shopping together and just had an overall good time I will miss those beautiful moments in my life, but I know you will be seeing again in heaven because you are now with the Lord and they can be no greater place to be than Within I remember the day I told you that surely in Hebrew means my song God needed another angel on the celestial choir and he chose you I'd like to leave a song for those of us that's still here.
