Curtis is my radiology technology instructor, then my coworker, a friend, a fellow army veteran, singer of many many memorable melodies and of course his quick wit 😊👉👈 📺 he will be missed. This pic I took when he retired, as he looked at our (VA department's) memory board. To the Upshaw family ~Our thoughts and comfort prayers & sincerest condolences be with you, on this day,,, but in the days to come! Remember #MemoriesAreHugs 🤗🥺

Ms. Monica I never meet your husband but seeing pictures of your dates and hearing you talk about him, it feels like I do. You are truly a wonderful person that's why I know you are a wonderful wife also. Weeping may endure for a night but I know that joy will come in the morning. God bless you and your family. Love you.

I was doing a search for a friend. Saw this just couldn't believe. For me grief fresh. I am ever grateful for the encouragement given to J. Adriel Jones by Mr. Upshaw while he was a member of the drill team. The influence was so great that it was even included in the obituary of my only child J. Adriel. Jennifer
