## **Mr. Eugene Raymond Flowers**

AUG 29, 2020

**E**ugene Raymond Flowers, also known as “Ray,” born on June 3rd, 1947 passed away on the morning of August 29th, 2020. He was born in Dallas, Texas to parents Leona and Joseph Flowers and has two brothers, Victor and Marty Flowers, and one sister, Tina Spradlin. He moved to Chicago, Illinois by the age of 3 and graduated from Kelly High School. From there he went on to being a truck driver when he was 36 until the age of 65. He was a loving father to two sons, Ray and Tony Flowers, and two daughters, Ashley and Brittany Flowers. He was also a wonderful grandfather to four grandchildren, Eric and Jonathan Flowers, and Braedyn Flowers and Alahna Medlock.

Eugene “Ray” Flowers liked to talk to people about life, love, and our relationship to Yeshua (Christ) and the word of God. When he discovered God it changed his life, it changed his way of thinking into something deeper and more meaningful. He stood up for what he believed in and he loved with a passion. Everyone knew him as a fun-loving, silly, hilarious, and all around great person. He had a laugh that will always be remembered and a smile that could light up the room. Even though he has taken his last breath he will forever be loved, remembered, and forever cherished. We want to honor his life because he will never be forgotten. We will miss you always...thank you for everything you taught and for all of the love that you shared. You were a beautiful soul and we hold onto the hope that we WILL see you again when Yeshua returns.  
Jeremiah 29:11

So many years together and so many beautiful memories. I wish I could have seen you once more to say goodbye. I feel so sad and still in denial that you are gone. Thanks for giving me two of the most beautiful, wonderful daughters ever created, who gave birth to beautiful grandkids. Ray was many different things to different people and will be missed. Always with love, Donna.

The day I found out you passed away was the worst feeling I could ever imagine....It left me in shock, it hadn't hit yet that I'd never be able to speak to you again. You taught me about life, about love, and my relationship to Yeshua (Christ). I am so thankful that I had a dad like you, some people don't have a dad in their lives and some wish they were like you. You were a blessing not only to my life but to everyone's heart you touched. Some of my most fond memories are with you, and I know you left memories with others around you as well. You were bright when everything seemed dark, you were comforting when we needed it the most, and you gave hope even when you had none...I believe that you knew it was your time towards the end, but I also believe God wanted to save you from the pain you were in. I will never forget how we laughed or how we cried together....losing you is devastating to say the least, but I pray for the chance to see you again someday because you gave me that hope according to scripture. I will forever remember our moments together from when I was a little girl until now because you taught me to be the woman I am today. Thank you for your love, dedication, and encouragement. As much as I wish I could say "I love you" one last time, it was known we had a bond that was unbreakable. I will love you forever daddy...With all my heart,Ashley Flowers
