Mary Ann and I grew up in Corpus Christi. We were neighbors. Over the years, Bea Potts , my neighbor in San Antonio, Texas would let me know how she was doing and I would send a hello to her. Mary and I have been friends since I joined Gospel Company choir at Windsor Village UMC. Right away we became best friends. We went to church together. Since I don't drive she would always pick me up to go somewhere. We were always there for each other. Even though I moved out of state we remained friends. I will really miss her smile, kindness, and generosity.
