A kind heart a gentle man. When I was a young girl, during his home visits to my niece and nephew on the weekend he would ask for a cup of coffee. I set before him on the dinning room table a cup of black coffee no sugar and to this day I don't know if he took sugar in his coffee or not it was there on the table. But, the thing I remember the most was his words "I'm going to dance at your wedding". Farewell my brother-in-law, you have received your invitation to dance with angels.... You will always be remembered

My dad was a real dad not a part time dad. He's been in my life 54 years. I know I'm not saying good bye but see you later. Thanks for all the love you show me. Rest easy dad
