Paul & Curline Dardrn posted:

To my family we all know that in life we will have many sorrows. But fortunately for us we are built with 2 Eternal Heart drives. One being the brain and the other the heart with the brain at a moments notice we can recall beautiful things about our Love one , things we did together . We can share with each other at a moments notice. The heart can do an automatic recalls a feeling that we have shared together. We love you "DUCK" . The family Paul & Curline Darden Reddick, Jackson, Robinson Family
