When I was a young girl and she would come to visit her mom, she would call for me to scratch her scalp. She had beautiful hair and was a beautiful woman. Jeff and Shawn praying that this bring you all closer and have a bond that no one can break. It's you two against the world. Praying that God will shed some light on y'all and wrap his arms of protection around you.

My T-Anna supported me during some very difficult times in my life. She always assured me better things were coming, and she was right. She loved me despite my imperfections and frankly probably because of them. I won't say good bye, I will say say till we meet again. There is a heck of a Mardi Gras party in heaven right now! I love you & miss you T-Anna. Teresa Canales

Percy and I send our deepest condolences to Anna Belle's daughter Shun and her son Jeff. She was the first family member of Percy's that I met. When Percy had his third stroke and our finances were a mess, she came to our rescue. Although the debt was repaid, we shall never ever forget her. We have much love and respect, not to mention the wonderful memories. May you rest in peace Anna Belle and thank you!
