Kerry Myers Davis posted:

Dear Family, Some of my dearest memories of growing up were wrapped in my summer visits to Texas. I would often spend time with Michael in the back room of the house where he introduced me to his love of music. We would play records in the back over and over again. That is where I developed my love for R&B artists like Millie Jackson and so many others. Cousin, you were one of the most generous, sweet people that I know. A precious gem that was a gift to us. I will miss your wisdom and your political insight. To say you will be missed, is an understatement. The comfort that I have, is that you are resting in the arms of God our father. You will not experience any more pain of suffering. For that I am grateful. Rest in Glory my dear sweet cousin! Love, Kerry Myers Davis
