My most sincere condolences to the family Miss Bernice helped me while I worked in the billing department of MD Anderson years before I ever met her face to face when I transferred to the coding department. She was a good woman with a beautiful spirit she will be missed I'm sure.

Bernice was a kind lady. My daughter Shannon was a girl scout and Bernice would always buy lots of boxes of cookies from her. Bernice always told her if she didn't sell all of her cookies please check back with her and she would buy a few more boxes. She was a great Castleview neighbor.
