Michelle Bowman lit a candle in honor of Jeffrey.

One of the greatest tragedies in life can be death but it's also a life lived without purpose. Jeff what a beautiful life of purpose you lived. For the countless times spent helping and caring for others you lived in your purpose. For a life well lived, you lived in your purpose . And for all of the times you were there for loved ones and friends you lived in your purpose and you intentionally left your mark in the hearts and minds of others. Rest peacefully in Heaven Jeff. My deepest condolences to the Rainge Family.
