Sammie, Juliet, and Family again our sincere condolences to you all. It's happened many times and it will happen many more. A love one leaves their family and walks through heavens door. Broken hearts are left behind, being strong for one another as tears roll down our eyes. I know Renita's place in heaven has a spectacular view. She's informed God, I need to keep an eye on a few. Today we will remember her gentleness and grace, her kindness and humor and her beautiful smile. Talk about the good times, and all the memories you shared with her. For if you keep those moments you will never be apart and they will live forever in your heart. Remember death leaves a heartache no one can heal, but LOVE leaves a memory no one can steal. Know that you can call on us anytime of the day or night and we will be there because you all are family and we have much love for you all. You know our God is the best comforter you can have and he will wrap you in his arms and give you the Peace that only he can give and that is Good News. May God continue to bless and keep you for such a time as this. Love always Mr. and Mrs. Diggs, Killeen, Texas
