Dear Uncle Donald, I surely miss you. Today (July 12) was another life event day that we would have shared. Your favorite Sister-In-Law (Shirlee) and your little brother (Roger) had events today that are very dear to me and definitely would have touched you today as well. There are not enough words to express how I felt about you. You were a kind and giving man, definitely in your own kind of way that touched many lives along the way. You knew the Lord and the Lord knew when to bring you home. We feel that it is never the right time but that's not our call. I think about you every day and look back on the times that we shared and missed opportunities. You're in our hearts and in our minds, watching over us, affectionately telling us what to do, multiple times. That's who you were and how you were which made you what you were, a fine Uncle like a brother to me. So I know you love me but, "I love you more"... Rest in Heaven Uncle Donald, We miss you.

It is with a heavy, heavy, heart I bid you farewell. You had a wonderful heart, worked hard, believed in great possibilities and kept your faith. Remembering you as a father, a grandfather and now a life that has gone on to the arms of family members who have gone before you. Rest in peace and suffer no more. Gwennie
