We will miss Gloria's sweet spirit and caring smile. One fond memory I have of Gloria is I could always hear her smile through the phone when she called to speak to my mother. And then we would always sing her name ( like in the clip below) which made her smile even more.

My name is Patricia Justice I am a cousin of the family'. I have a memory of NeNe that's what we used to call her when we was growing up I remember when we was little and we were standing out in the yard in front of the house it was this big old tree in the yard and it was a snake in the tree and it fell and we all started hollering it was so funny afterwards but thinking of all the things that we used to do and share in the past growing up as children it's all was a blessing .Gloria will truly be missed.Me and my family we give our condolences to the family and her children.Our prayers will always be with you .
