Mr. Morrow was a one of a kind man. He was truly one of the coolest and realest men I ever met. I used to think of him as Westbury's own Joe Clark. He was tough on us because he expected the best out of us, and we loved him for that. I truly thought he would live forever, but in the absence of that his spirit and memory definitely will. Rest easy Mr. Morrow...we love you!!! Sincerely, Crystal Sullivan
