Andrew was a great person to be around and to work with. He was a caring man and he always had a smile on his face. Knowing and working with Andrew the past 10 years has been a pleasure to say the least. I am a better person for knowing Andrew! I have had many great memories with him. He will be missed!

Andrew was one of the most down to earth city slicker men i have ever met in my life 🙏 & loved dearly here in Longview Tx i mean he had a game plan for every situation that was thrown at him & believe it or not he pulled it off & got away with it!!! The Andrew as we came to know was always smiling & very friendly! I can remember one time i had a problem in my life at the time that i was dealing with that made me feel like i didn't belong around certain people in my family! After telling Andrew what i was so ashamed of i can remember him telling me that he to had experienced the same thing once before just in a different way & it's a whole lot more people out there that is still doing the same thing!! He said girl hold your head up & stop beating up on yourself for making a mistake,,, just learn from your mistakes and do better,, only God ! can judge & once you ask him to forgive you the rest don't matter!! Andrew you will truly!truly! be missed here in Longview Tx RIP my friend ( God ! makes no mistakes ..
