# **Ms. Shelia Denise Johnson Waldon**

AUG 17, 1961 - OCT 20, 2022

**L**oving mother, Shelia Denise Johnson Waldon (61), of Houston, TX passed away on October 20, 2022, comfortably at home.

Shelia, the fourth of five children to Carey and Lessie Johnson, was born on August 17, 1961. Although not a member of a church at her passing, Shelia was raised Christian and baptized at an early age. After graduating from Jesse H. Jones High School in 1979, she went on to earn a Bank Teller Certification.

Shortly after, Shelia would welcome her first bundle of joy, Terry (42). In 1981, she met William “Frank”. The two would later marry and together welcome 4 children: Marcus (39), Jessica (37), Brittanie (33) & Jasmine (31). Shelia was a wonderful and loving mother who gave her all to her family. We will never be able to fill the space left behind by her.

A valued team member of IHOP Restaurant for the past 16 years, Shelia was always ready with a helping hand and a kind word. She will be deeply missed by all who had the privilege of working with her.

Shelia loved to cook, serve, and entertain. On Sundays, she cooked huge meals for her family... and much of the neighborhood as well. She loved watching others enjoy the food she prepared. As a devoted mother, she introduced her children to wander and travel with family trips, treated them to Blockbuster Fridays, and attended many events as a family.

Shelia is predeceased by both parents: Carey & Lessie, her older brothers: Esau & Danny, and her baby sister Karen.

She is survived by her five children, Terry, Marcus, Jessica, Brittanie and Jasmine and her two grandchildren, Terrance and Brooklyn; her sister, Gladys (Edwin) Brooks; her God-daughter

"Well Fam" (as Shelia would say) here we are..... We made each other "Family" from the start. We accepted each other even as strangers, you showed us you cared. You would check on us from time to time, especially after we moved. We would go to the restaurant, not for ALL the unlimited pancakes.....JUST TO SEE YOU AND THE UNLIMITED SMILES. To make sure you were ok or see if you needed anything. Upon leaving, it was always "until next time", never a goodbye. Our last conversation, you said you would be making some changes with your life and you would update me later but I will never know what those changes were. We know you are with Our Father in Heaven, for we know you were a Worshipper & a Believer..... We saw that in you. Thanks for loving us unconditionally. I don't want to make this about us, but WE WILL MISS YOU DEARLY. We Love ALL of You & ALL of who You were. Until Next Time.....FAMKatrina and Andrew

My memory of Shelia is not what she said or did, it's what she showed, and that was her love for me. She told me that I was her sister and that sisters always stick by each other. She was there for me during the good and bad times. Let me know when I was wrong, (she didn't hold back). Comfort me in times when I needed a shoulder to cry on. SHE WAS ALWAYS THERE!!!!It is rare to find a friend that genuinely loves you with their heart, but I did in Shelia.REST IN PEACE MY FRIEND/SISTERNORVINE
