Phillip, I remember when Fee Fee and I were little, we were always going some place fun and had a good time. I appreciate those days, and the love and support you gave to me and Ron over the years. As well as the support you provided when my Mother was sick. You always kept it real. I will miss your smiling face, the good advice you gave and the laughs. May you rest in peace. Love you and thanks, Tweety

Uncle Phillip, You will be missed. I'm grateful to be left with a lot of hilarious memories! You was more than a great uncle, you was my dawg! My mama father figure and shoulder to lean on for a good laugh, a listener with the worst advice only because you was bout that life and choose violence every time, but Imma miss your on sight turn up spirit and you saying "what's up niece" then turn around and tell me to move around because I talk to much and asking to many damn questions. Uncle you are in a better place and I have peace knowing that. I just know reuniting with your son, mother, sisters and other love ones it's about to be a comedy show in heaven. I love you Phill and you know your 5th ward & Copper tree Homies going to miss you too. In lovely memories too the coolest great uncle.
