With heavy heart I recently came upon the sad news of the passing of my friend and colleague, Dr. Ben Echols. We met at the dawn of our careers at The Methodist Hospital and then had a long friendship, professional and personal, ay CyFair Hospital. Ben was a conscientious and caring physician with high devotion to his family. God Bless his soul. Richard J. Hausner, MD (pathologist)

He was my Primary Care Doctor. I was fortunate to have him take care of me. He did an excellent job.

Ben was a kind and humble man, never using his success to demean others... He was caring and took time with his many patients and loved the Solomon sisters, of the FWCOC Sis. Lucinda Campbell, Sis. Bertha Williams, and Sis. Thelma Wilson who he treated like family... They loved him so much!!! Dr. Ben Echols was easy to talk to and extremely friendly, taking time to explain to his patients what was going on with them... The legacy of a great man will follow him, my Condolences to you Debra, and your children... Ben will be missed, but he has a resting place where there is no more PAIN!!! May God bless each of you that love him and will miss his presence!!! Much love Sis. Sophronia Williams Bourgeois
