My connection with Renee was as a classmate at Wiley College, both wearing braces on our teeth (my tin-grin sister) and as an Interest Group/Little Sister "PHI-ette". She brought class to our presence on campus AND had the loudest Eeeeeee - Yyyyyeee of all the sisters...Lo!!! Love You Sis!! Your spirit will be missed!

I haven't had much interaction with Renee since graduation from college. What I do remember however is that she was one of the sweetest souls I have ever encountered. May her soul now rest in peace and I shall continue to pray that God is with her family and those who loved and cherished her.
