Very sweet lady and Mother of my dear friend Harriet. I loved to drop by and see her even if Harriet wasn't around and now she is God's hands and I know my parents are welcoming her and say thanks for being kind to our daughter!!

John 14:2-6 In My Father's house are many mansions; if it were not so I would have told you. And if I go and prepare a place for you I will come again and receive you to Myself; That where I am, there you may be also. From the first moment I met Ms Effie she held a special place in my heart . I have lots of special memories that we shared while I was taking care of her. Most of all the love we shared for each other.I will never forget the days we worked on the flowers in front of the house the day she cooked the greens and all the Thursdays she would tell me Baby you know tomorrow is Friday don't forget to bring the fish I will always love and miss you so much Ms Effie You can rest in peace in your new mansion full of beautiful flowers

Kelle Daigle lit a candle in honor of Effie.

I had the pleasure of meeting Ms Effie when my mother moved into Kare Kottage. They were roommates. On every visit I made in that short amount of time, Ms Effie was such and kind, loving and funny lady to visit with. We talked about her family and her career most often, but we also talked about her TV show and her sweet baby that was almost often at her side. I would always tell her how beautiful she was and she would display the biggest and beautiful smile, followed by "Thank you". My sincere condolences to her family and friends. She touched many lives along her journey, including mine. She will be deeply missed. Kelle Daigle, daughter of Donna Turner

I miss mother so very much and thought she would be celebrating her 99th birthday (August 10th, 2023).. Nevertheless, I will always celebrate her longevity, strong spirit and unconditional love.
