Please accept our deepest condolences. Indeed, our hearts are heavy learning that Harry , such an active, committed, vibrant, and wonderful person, has passed. I have known the family since 1965, my freshman year at Oakwood, and worked in the college store all four years at Oakwood under his father who was the manager. What a wonderful blessing and privilege. Harry, Jr. was always willing to help with any alumni activities as we participated in the Oakwood College Alumni Association. May GOD surround you with His love, comfort, and care now and in the days ahead. We are remembering your family in prayer.

I extend my condolences to the Swinton Family near and far in the loss of dear Harry, Jr. whom I have known over fifty years. He was a man of exceptional talents, business skills, community services, and spiritual resources. May the family comfort in his contagious smile, helpful spirit, dedicated causes, and Christian commitment. He will be greatly missed by inner circles of family members and the wider hosts of friends, associates and church members. He will rest from his good works until the Life-giver calls him in the resurrection morning. Let's plan to be in that grand reunion is my prayer.
