She was a dear classmate of mine. She always made me smile. She was fun to be around because she was always cutting up and laughing. She will always be in my memories with a snails in her face. May she rest in peace. Sincerely from me and the Abbeville High Class of 1984. Kim Armentor Hebert.

Cassandra was on my mind heavily for the past year or so. We lost touch after COVID but had worked together many moons ago when I lived in Houston. I went searching for her and I am so sorry to see that she has passed. She was, hands down, the absolute BEST nurse manager that I have ever worked with in my 30 years of clinical experience. Rest in peace, Wimbley.

I met Cassandra @ Courtyard she was the Charge Nurse Station two. My brother Roy Salazar is @ Courtyard under long term care. Seven years visiting my brother & having Cassandra under her wing was a blessing. Cassandra would call me "Cherie" or Melva Jean. I will miss everything about her. My deepest condolences goes out the family. RIP dear angel, I know you are in God's hands. Melva Melchor
