Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "Jesus plainly told her: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." —John 11:20-25.

My condolences to the Scarbrough Family. I met Sarita, who drove by herself from Houston to Atlanta, while visiting her cousin, Jocelyn Wright. Her free spirit, kindness, independence, and joy of life was what I remembered most about Sarita, and was shown again, when I saw her in Houston in 2018 while at the AKA Boule with Jocelyn. She was the epitome of sisterhood! Sarita showed me and my Soror squad much love as we shopped and dined together in Houston, and stayed in touch with each of us over these past 5 years. Her sudden passing was shocking, but I thank God I got to meet an angel on earth. Rest in peace, Sarita, and I'll see you on the other side.

My Dear Cousin, Our paths crossed late in our adult life. We had always "heard" about each other but never met. I still remember the "urgency" that you had when I brought my students to Houston for a college tour. You came out to the hotel, gave GREAT COUNSEL to the graphic arts students and then we talked for a long time. I will always remember the weekly talks, the texts, even the telephone calls to ask how "Aunt Bertha" was doing. Your transition was so sudden, but isn't it always the case. But I learned that the Spirit was NEVER born so it can NEVER die. I'll keep talking to you and knowing you will answer, just from a different realm. Shelby T.

I was connected to Sarita through her cousin, Denise, our businesses and our interest in politics. We talked regularly, never met in person, but just connected and respected each other. I was always impressed by her spirit, creativity, resourcefulness and resilience. She, while years younger than me, was an inspiration. She is already missed, she left us too soon. Love and condolences to Denise and all who feel this great loss.

I met Sarita right in the midst of Covid, when she traveled to Riverdale, GA to celebrate the birthday of her cousin, my friend, Jocelyn Denise Wright. Our relationship hit it off immediately. Afterward, we began Facebook friends and that's how we communicated from then on. We were extremely saddened to hear that she passed away and we want to extend my sincerest condolences to her family, sorority sisters, and friends. Always keep your fondest memories of Sarita close to your heart ❤️. May God Bless you all. Bobby and Deborah Hayes

Missing my cousin, Sarita but feeling peaceful today. In addition I'd like to express my appreciation for the awesome services provided by Mabrie Mortuary. Justin and his team were caring and helpful throughout the entire process. The process was explained thoroughly and he worked diligently to accommodate our needs and concerns. I really can't express how grateful I am for his patience during this difficult time. I wish I could have him in my city working with me and my preplanning needs.

I remember the night of our graduation from Jack Yates, I was so inebriated that jumped in Sarita's pool fully clothed. I acted a damn jackass. She called me several times the next day (before cell phones) to check on me and make certain that I was ok. She had a genuine care and concern for people that shined through liked the sun. Your beautiful spirit and heart will be missed but never forgotten. RIP.
