From Dianna SmithSimon and I hit it off from our very first meeting! We were at orientation for the USPS where one of the administrators called his name. I quickly asked him if he knew Aaron and Arniece whom I knew from school and had the same last name! He proudly affirmed snickering yea that's my baby brother and sister! Well needless to say throughout our years of working together I became familiar and knew all the Tidwell's names.... Mom, Pops, siblings , nieces, nephews and anyone who was dear to his heart! He absolutely loved his family!After Simon retired we kept in touch calling each other as often as we could. I called him for his birthday in May and he called me on mine which was June 14th! I will miss my dear friend who had become like family ! Rest in Peace Simon
