I met Mabel 15 years ago and we've been friends ever since. Mabel was always loving and caring. There was never a conversation to be had without talking about her love for Christ and Jack Yates. She was loved by many. I Thank God for the time we shared. Rest in Heaven "Redd".Continued prayers for the family.

Dear Clay Family and Neighbors (near Peck School)Offering prayers and condolences with shared memories of Maybell that bring to mind, the sparkles of her energetic spirit. Her cheerful smile would brighten any day! She kept us, in the know of the on-goings in the hood. Oftentimes, Maybell would call to let me know when there was anything unfamiliar or suspicious going on, including at my house. She shared the joy of her extended family at Integrated Church with invitations to special programs. Also, may we remember that "The Lord is our Shepard; his rod and staff protect and comfort us; especially when walking through these valleys of such shadows ~ May you rest in peace, Maybell. Thank you, Lord, for sharing Maybell with us- The Henderson Family~Barbara, Erika Jo, Joe, Kaylan, Marquis, & Avery Jo

Needless to say that I am shocked and dismayed by your passing, Maybelle. Lil Joe, you, and I were just together seven days before laughing and reminiscing, as you were eating up everything thing that wasn't nailed down in that room. When you were devouring your M&Ms, and me secretly stealing some of them, you spoke with so much faith and fervor about planning your get well party, and I was down for all the shenanigans. I was certain that you were coming home, but GOD said HE had other plans. Although my heart is hurting, I know that we will meet again someday. I will truly miss you, mama. Rest In Power, sweetie.
