Debra Cole-Blackmon lit a candle in honor of Sylvia.

As far as I can remember, Ms. Armstrong & my mother were friends. She was affectionately known as "Ozelle" in our house. I always admired her stately statue, how she dressed & carried herself. Ozelle would often walk across the street to sit, laugh & chat when she visited her mother. As a retired educator, Ozelle was one of the influential persons, who spiked an interest in the field of education in me. She was one of those "no nonsense, back in the day" kind of teachers, in which I patterned myself from in the classroom. Ms. Marie & family, I pray that you find comfort in your memories, as I will.In Memory of Bill & Josephine Cole (Neighbors)Debra Cole-Blackmon

Everyday I look towards your home and remember you working in the yard or just sweeping the driveway. I have missed you so much since you have been gone. Even though your short-term memory was fading away I still enjoyed talking with you and trying to help you remember whatever you would try to tell me about. Ms. Armstrong you have been a positive pillar of joy in my life for so many years and a great friend to mom. You were apart of our family and Dianne and I have always had the utmost respect for you because of your kindness, love and care that you shown for us as children. You will always live on in our hearts and never shall we forget you. Love you much, Your extended family, Mercile, Dianne & Delories Gilbert
