My Beautiful Cousin Barbara you always knew how to keep me smiling as a child and even an adult your kindness towards me never wavered. As an adult we were able to share so many memories. I'll miss you deeply and those long conversations we would have. I love you Barb and I always will. RIH Beautiful one.

To my cousin Sherry and family, I can not be with you in person but I am with you in spirit. I am grateful I had a chance to tell her that I love her the night before she received her wings. May God continue to comfort you and give you peace. Love and prayers always !
