Jean, James, Jr., Trisha, Tristan, Harris family and Ferrell family, it is with the heaviest heart and the Fruits of the Spirit that our condolences be upon you all during this time of James, Sr. departure; whom has been called by my Father. So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous hand. I will comfort you all... Know, that He will give you comfort during your time of sorrow. Know that you have a host of Angels around you, guarding and comforting your mind, heart, body and soul. Know, that God has placed a piece of James, Sr into each of you; God has also placed a piece of James, Sr. in you. You will be with him again... Until then, focus on all the memories I have given you all over the years... Know, that I am so proud of my Son. Know that your Husband, Father, Grandfather, Uncle, Brother, Neighbor, Co-worker has been walking in the image of me since the time that I created him. James, Sr. was my servant... His steps were always guided by me. He said YES to my call and has touched many people with my presence in him... He was and still is the example I so desire from all in this wayward world. Jean, you and James, Sr, always warmed my heart and bought me joy... You were and still are LOVE. Seeing you hold hands from the beginning of your covenant, and over the years until the very end, I planned it, I decreed it. You both have and continue to make me happy... James, Sr has been my faithful and trusted servant for many years, whom I am well pleased. He has provided the example here on earth for others to emulate. Although I know, all of you have so many feelings, questions, hurt, loneliness, know he is with Me on another assignment. Remember, you are not alone. You have each other. You have Me... Lean into me always, I am here... Your loving Father in Heaven.

Hello Sister Melva and family. Just want to convey my condolences. I will always remember Brother Harris' kind smile when we would greet each other at church and when we would be at the same church outings. He had the most sincere smile when he led a song in the male chorus, when other men would lead a song and just when the male choir was singing as a group. You could see how much he loved the Lord...☐☐☐ Gid has chosen another special flower for his Heavenly Garden. He will be greatly missed. The love that you and brother Harris showed for each other was immeasurable. I pray that God will give you and your family the strength and comfort you will need as you go through your bereavement. HE IS A COMFORTER IN ALL WAYS. Be blessed in the Lord.❤️ Much Love  
Sister Gwen King
