My sincere condolences to Gee's children. Gee and I were schoolmates from middle school to high school. He was always a good, caring and true friend. We had many years of fun in our little group. I will miss him dearly. Goodbye my friend, Judy Hilliard-Dawson, Jack Yates High, Class of '64

Oh Juicy, my heart is broken. I had no idea that John was ailing. John was like family to us. He was a lifesaver when I had my school. He played an important roll in my life as well when I was going through a rough time. He will be FOREVER missed. Rest in Peace John, God just received another angel. I know we will see each other again! Linda Robicheaux

My condolences to Mr. Griffin's children and other family members. I worked with your father at Windham for many years at the Jester 3 Unit. It was a pleasure working with him. We were teachers together and then I became his principal. He also helped me know the ins and outs of being a landlord. We spoke only a couple of weeks ago, so his passing has been a surprise. He was telling how both of you were trying to keep him in line. I know he was a hand but he was blessed to have caring children. My Allah (God) comfort you and bless John with the best in the hereafter. I will miss my friend. Shirley Holmes

Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." — John 11:20-25.

I met Gee in 1976. His wife, Rosemary and my wife, Brenda were already good friends. The four of us went out as couples several times, but Gee and I became friends separate and apart from the ladies. When we were younger, he and I would hang out at the clubs along with several other guys. We would also occasionally have lunch together. As we both got older and stopped going to the clubs, we continued to get together for lunch from time to time. Toward the end, the lunches got fewer and fewer, but they lasted longer and longer. I am actually surprised by how much we learned about each other during these few, long lunches. Gee was a good husband, a great father and a dependable friend. Rest in peace, my friend. Rest in peace. Larry B. Douglas

Uncle Gee - you were always so much fun and so kind to be around. I will miss your laugh, our conversations, our margaritas at the Mexican restaurant when I came to town, and your real curiosity about my life in NYC. I wish you peace and I know that you will rest in power. Kitt x
