I want to share my love and condolences with the entire Butler family and all of Tammy's friends and loved ones. I had the pleasure of getting to work with Tammy at EdFuel and feel incredibly lucky to have had the privilege of knowing her and learning from her. Tammy's love for her family, especially her nephew Harrison, shone through in everything she did. Her deep passion for equity in education and her commitment to students, families, and schools was inspiring and her impact will be everlasting. Sending all of my love and support to all who knew and loved Tammy. She will be deeply, deeply missed.

I want to extend my heartfelt sympathy and prayers to the Butler family and to all of us who were fortunate enough to know this wonderful woman. Tammy's passing is a devastating shock and loss to us. Tammy's impact on the world can be seen through her family especially the love she had for her nephew, Harrison, the students she taught, the families she supported, the staff she mentored and the colleagues she collaborated with. I sometimes referred to her as a "quiet storm" during our work interactions at EdFuel. I honor Tammy by continuing the legacy of friendship, excellence, calmness and consistency that demonstrated in her everyday life. Tammy has transitioned from this side but her spirit will be always felt. Rest well, my dear friend!

Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: " Jesus plainly told her: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." —John 11:20-25.
