Omg friend this hurts so much. I know God has you. We will always remember your beautiful smile and your sweet spirit towards everyone. You were always a shining light for us at TCH and one of the most dedicated people I know. You kept the spirit alive even through the birthday celebrations and potlucks at work but not only that you were always so willing to share your knowledge and help no matter what. You will be missed my friend. Praying for your family.

Monique's kind and sweet spirit will remain in my memory bank .She had a sweet little shyness about her. Monique was always willing to help in any way that she could at our church. She loved taking photos of her girls and sharing them. I will certainly miss her dearly. Continued prayers for the Manning family.

2 Timothy 4:7-8 7. I have fought a good fight, I have finished my course. I have kept the faith. 8. Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing. Lashawndra will be remembered for the love and compassion she was able to share with all of her coworkers here at TCH. What makes you great? Not how much money you have but how you serve others. Lashawndra was called to be great on this earth. Lashawndra looked outside of herself, and beyond her own problems, and seek to bring value to others. I am happy God place Lashawndra in my life she fulfilled her purpose on this earth. My prayers are with her daughters and family. I pray that God give you the strength you need to overcome this difficult time. Tamara S

I will miss seeing Monique walk in our church sanctuary and sit in the same section near my family and me. Being soft-spoken with a smile and sweet spirit, friendly, and humble will always be remembered by me each Sunday. Her awesome work and gift with the Media Ministry will be greatly missed. To the Manning family Lashawndra was an amazing person and a pleasure to work with. Lashawndra put her best foot forward everyday and gave it her all for the families and her peers at Texas Children's Hospital. This week has been so surreal for me. I really miss your Teams ping almost every morning between 8am and 8:30am asking me whatever question you had to provide the best customer service you were so great at doing. Lashawndra often spoke of her family especially her amazing daughters. This is a tremendous loss for everyone. I will continue to pray for comfort each of you as you go through this journey. Rest well my Lashawndra

Oh my I just can't believe your gone LaSahwndra. I remember our days working at the Nabisco building, you were my neighbor right across from me in our little cubicle isle. I remember you were always there to help me after listening to my calls with many parents, if you were on a call, you'd quickly jumped in to lend me a hand with helpful information whether it was insurance, clinics, doctors or anything, you were a blessing because sometimes I was totally stumped and didn't know or forgot and you were ALWAYS there as my guide. We would share stories of our kids and you would always asked how they were doing. My dear friend rest in peace in God's loving arms.

Lashawndra was always very helpful and kind towards me even though I only met her once last October at the flu shot event. She took one of her daughters to the event and I got meet her as well. She was always so nice since day one! Almost 3 years ago I met her virtually and her and Sonya were always there to assist me when I first started and helped as much as they could! I am really grateful for the knowledge that she shared with me! It sadness me to know that she is no longer with us and specially with her family. I know most of you all got to work with her in person for a long time so my thoughts and prayers go out not only to her family but to you too! Sending a lot of healing energy your way! Rest in paradise Lashawndra you will be missed!

Lashawndra I can't believe you are gone. I'm struggling with this news. I'm trying hard not to ask God why. He is the only one that knows the answer to the question if asked. He knows the time, place and hour when we have to meet him. Family, Friends we are gathering with heavy hearts to bid farewell to our dear friend, sister, coworker and mother, Lashawndra. It's never easy to say goodbye especially when it happens too soon. We are grappling with the reality that Lashawndra is no longer with us and no words can truly capture the pain we feel. I will never forget the first time I met you at the Nabisco Building Central Scheduling we hit it off instantly chatting and laughing as if known each other forever. We celebrated birthdays on the same month just a few days apart, so we had some personalities alike. Lashawndra had this incredible way of making everyone feel like family with that warm and welcoming vibe. You always smile no matter what trials comes your way and keep the humble spirit at all times your soft-spoken voice will never be forgotten. Despite the sorrow there's solace in knowing that Lashawndra is now free from any pain. As we reflect on the moments, we shared I'm reminded of the ups and downs of life a race that Lashawndra ran with incredible grace. As I say goodbye to a friend, could be my daughter who touched our lives in ways words can't express, Lashawndra you'll be missed but your memory will live on in the cherished moments we had together. May you rest in peace. "Ms Cordella when you going to make me some of those green beans, I love your green beans" Daughters be Blessed you had the best Mother in the world. Keep the faith girls and always look Mama is looking down at you always. Rise your wings to highest my sister Lashawndra.. Love Cordella.
