My dad, Mark Harris, is the best dad I could ever ask for. He was funny, kind, sometimes annoying but that's the way everyone got to love him. He always joked around making everyone around him smile at least once. He always made sure to comfort or look out for the people he loved especially me. My dad will always be with me in my heart.

Mark was my "Bear", I was his "Chipmunk". I'm sure the Mark I know, is the same one that everyone else knows. He was his true self with everyone, even acquaintances. He was loud, funny, loved his family and friends. And, of course, loved his Saints and LSU Tigers! There is so much more I can say, but I'm at a loss for words. My heart goes out to everyone that loved him. I know his energetic presence will be missed. My home will be way too quiet now. "God Bless and stay safe" Mark.
