My condolences to the family. Coach Rushing was my 6th Grade PE Teacher (1st Class) Woodson Middle School. Dr. Gentry principal in 1980-1981. Wow what a coach she was bold believed in discipline and made sure we dressed for fitness. Students did not skip dressing for gym like they do now, or the Paddle would come. I had a great respect for Ms. Rushing she did not play with any disrespect. We learned to know and apply respecting Adult Authority. Although I did not play on the Girls Basketball Team, she prepared many powerful female players (record-breaking) stats. I did get to wash the Team Uniforms in laundry for her. Post Civil Rights Educator who set the pace at Woodson and Worthing. I am thankful for her commitment to Black kids like me in the hood who have went on to do great things. Rest in peace

OL

Ollie lit a candle in honor of Shirley.

This lady would show up to my house at 6am to pick me up. Not just me...Many of us..We opened the school at 630am for practice. Volleyball...Basketball...Track....We were the LAST to leave sometimes 630/7 at night...but not for home of no we went to Sam's to restock candy and snacks...Home majority of the time didn't see me to 930/10 at night...She was hard...She was mean...She had a bad mouth...But she did it out of love...These kids now days would not had survived Shirley Ann DMJ Rushing.....She molded so many of us...Our parents trusted her with us...They knew that with her we were in good hands....She is the reason the Rushing Girls are the way we are...
