I was saddened to her of her passing, I talked to her a week before she passed, I told her that I love the pictures that Lena posted of her and her granddaughters and that she was looking good and to take care of herself! One of my fund memories of her when we used to ride together and I would play Exhale (Shoot Shoot) by Whitney Houston and she would say play that again that's my song! She easy my friend, you will be missed! My sincere condolences to Ken's and the rest of the family☐☐☐

Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." —John 11:20-25.
