Rhea, Rhonda, Ronald and Family, Please accept my deepest condolences for your loss. I hold so many cherished memories of the times we shared on Southmore. Our mothers are together again, gathered in Heaven's kitchen - laughing, reminiscing, and picking up right where they left off, as if no time had passed at all. May God's peace be with you in this time of sorrow and His love surround you as you grieve. Love, Lisa Peterson

I deeply appreciate the care, warmth, and love she shared with both my kids and me. One of my fondest memories is from Easter 2025 when she sat my daughter on her lap and dedicated a fairy tale book to her. Though our hearts are heavy, we are eternally grateful to have known you. Rest sweetly, LaLa. Quiana, Kion, & Skylar

Cousin Lollie always found special ways to bring people together and celebrate important milestones. I attended my first family reunion a few years ago and she was one of the first relatives that I met. We immediately felt a deep connection and mutual love for family. The family stories that she shared and her wealth of knowledge will truly be missed.

My Aunt Elaine was one of the most influential people in my life. I miss her dearly. I am grateful for her love and guidance in my life! I am sad that she will never know I pledged, whenever that happens. I know she supported me always and I am proud to be her niece. She was simply beautiful, inside and out! Love, Kesha Moon
