Betty; thank you for being the kind and generous soul that you were. You treated us like your own siblings: Dan, June and I are forever grateful for the love and warmth you shared with us. Thank you for opening your home to us. You have left a hole in our hearts. May God truly comfort your loved ones as you rest in eternal peace. God truly loves his own because you were an angel. 1 Thessalonians 5:16-18 - we will continue praying without ceasing as we celebrate you! Bye for now. 💜

Betty my dearest Deskie and buddy, how it hurts writing this. The pain gnaws inside so deeply. I remember walking with you then in Form 1 holding hands and finding the desks the fit just right. Sharing stories of family, friends and our crushes from Moi Forces. You taught me so much about value of determination, education and pursuing what you wanted in life. Whenever hard moments came by, it was your voice I heard saying "Chin up chick, China is always here for you!". I will miss you immensely. We are here too for you my lady. Rest well my Darling Sister. Rest well. Our hearts are broken but as always.. We shall Chin Up.. Albeit a day at a time. Lots of Love.. Flora Bii

My dear cousin, the one who bears my three names; my name sake....I still fond memories of our childhood years, how you gifted me beautiful shoes, clothes and bags when I was just joining campus, how we ended sharing acquaintances because of three shared names. Rest Easy Betty

It's painful to realize that I won't get a chance to know you as i should have. I regret the conversations we never had and the moments we never shared, but I hold on to the hope that we shall meet again in heaven. Rest with the angels, Betty.
