It's with sadness that we learn of the passing of Warren Irving. We knew him as a youth with the Texas state Association of the Church of God (TSA) In Hallettsville TX. He was a member of Liberty Road Church of God in Houston. he was a teenager and the president of the youth organization in the TSA. I Served as the youth counselor during the years that he served as the youth president. So, I have fond memories of Warren, and he will be truly missed, but we know that to be absent from the body is to be present with the Lord. We want to express our deepest sympathy to his family during this time of sadness and may the Lord hands of compassion and love and his guiding light from above shine down upon you and give you strength during this time of sorrow.Edd & Hattie White, and Family
