My prayers and condolences are with the Carr family. I first met Mr. Carr at a conference in Las Vegas back in 2017 and we stayed connected ever since. He was a Godly man who always shared sound wisdom and advice. A man of integrity. I truly looked forward to our talks and will miss them dearly. I'm grateful for the time I was able to visit him in Houston a few years ago. Thank you for being a steward of God and my mentor. May God Almighty be pleased with you Mr. Carr and grant your family Peace, Unity, and unconditional Love during this time and in the hereafter. Until we meet again, Sir, rest well. 🙏❤️🙏

I am going to miss my brother and my friend but I have peace in my heart because he taught me so much. We've known one another since 1992 and I call him THE GOAT, Lincoln taught me how to be a man of integrity, how to understand the order of things as it relates to growth and development in the business world. I love him as my brother and my friend and even though he's not here in the physical sense, all that he instilled in me has grown as it relates to being a husband a father and a king. My prayers are indeed, with the family and I pray that whoever reads this will keep them lifted up, I can feel a whole lot more
