Natacha, words cannot express the pain I felt the night I received the news. As you know, John and I were as close as brother and the sister he never wanted but tolerated. I am so grateful to God for the time we shared and the memories I hold in my heart. I am a firm believer that God puts people in our lives to walk with us for a season, and thanks to the Dept. of Veteran Affairs, John and I have walked together for 18 years. He was a funny dude and I'll never forget the jokes and laughter we shared. I will never forget how he was always there for me, and I will miss him dearly. We have lost a good soldier, a man of God with a tough exterior and heart of gold. I pray that God wipes your tears and gives you peace to endure this storm of life. I love you sis, and I'm here for you. Rhonda Jolly Denmon

John was just a good human being! I've known him for lots of yrs and he has always been the same upbeat positive person, with a great sense of humor. In our brief passing, through the break room, John would always stop and chat, then end our conversation with some joke and by saying, I'm gonna hang in here, you do the same, God sees everything...so whenever I saw him or thought about him, those words would sound loudly. He'd make my day a little brighter..Thank you John for your heartfelt inspirational light, your presence, your service, your walk, your words, your humbleness, because I will always remember them. Get your rest in the arms of the Lord, till I see you on the other side 🙏😊❤️

A night we'll never forget, every time we get together we'd have so much fun. We want you to know that we're praying for you and family and if you need anything please don't hesitate to call on us. Memories from Calvin, when he bake cakes for C/O 88, Crockett would ask, why did you bring that crack cake here man, you're their pusher and he would laugh so hard, cuz his cakes are so good, it's like crack, you can't eat just one slice. We'll never forget the memories. God bless you and love you Calvin, Lisa and Jo'Nae Hodge.

In Loving Memory of John Crockett We were blessed to meet John and his beautiful wife, Natasha, at the Way of Life Church, where we all served together and quickly became more than friends — we became family. John was a man whose love for his children radiated in every conversation, every story, and every smile. He truly treasured them and took joy in being both their protector and their teacher. We hold a special place in our hearts for Nalia. I still remember the very first time we wanted her to come home with us and spend some time together — I had to pass John's "test" first. That moment said everything about the kind of father he was — caring, discerning, and deeply committed to his children's well-being. We love the entire Crockett family and send our deepest condolences and prayers of comfort to you all. May God's peace and strength surround you during this difficult time and may John's memory live on through the love and light he shared with everyone blessed to know him. With love and heartfelt sympathy, Horace and CasSandra

John could be serious and he was also very funny. I love the way he would talk to the youth and give them words of wisdom about life. John was a great husband, dad and man of faith.
