Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." — John 11:20-25.

My dear Brother, Although times have been tough I believe you have found peace. You were a good man and have overcome many obstacles in life but that never stopped you from smiling. Your infectious laugh and love you held for others filled every room you entered. From the goofy dances your personality and the way you made sure to keep a positive attitude no matter the situation was something I loved most about you. I am so honored to have been your sister. & I hope you know, I love you dearly. I KNOW reuniting with our beloved brothers made you feel safe. Tell De & Tank thank you for welcoming you. I got it from here. Rest well..Love always, sissy
