Dear Mrs. Evans, Thank you so much for allowing me the opportunity to see "Greatness" in Action and in Living Color!! :) It was a real pleasure meeting and getting to know you. The privilege of celebrating your Birthdays with you the past few years, was truly heartwarming. God allowing our paths to cross was actually a real gift for me! Mrs. Evans, I am delighted to know that all things are now well for you and you're comfortably resting in the Mansion Jesus went away to prepare for you! We will make sure Denise is well taken care of! Although she's soooo much like you; she may not need our intervention but, if she does.... We will have her back! :) Much Love, Respect, and Admiration Always, Bellenthia
