Mrs. Rei was one of my mothers in Jack and Jill. I remember that when we were younger, the teens all thought that she was one of the more intimidating mom's of the group. She was so pretty, but had a very commanding aura about her. It wasn't until I got older that experienced her kind soul and humor. She was so funny! My favorite story she would tell was about Christian's particular favorite place to fall asleep when he was younger (ask him!!). I know she's missed, dearly.

I met Rei in 2022 at a wedding and learned we were Sorors!! We kept in contact over the years and I was glad to catch up with her in 2024 while attending a conference! To engage as sisters over good food, even for a short while, was a lasting friendship! Rei will definitely be missed. I admired the love she had for her husband and boys (sorry, young men)! Rest peacefully, dear Soror! ☐☐ I am definitely praying for her family and friends for God to surround you with His peace, comfort, and love.

My heartfelt condolences to the Philpott family. We met Rei five years ago and formed an instant connection. I'll miss our long phone conversations, weekend getaways, laughter, and most importantly, the camaraderie we shared around the kitchen table with family and friends. You will truly be missed. Until we meet again.

I have a few memories of Rei and all of them I'll hold dear in my heart. My very first memory was attending her wedding at the BIG circle building in Tallahassee. I was only 4 or 5 years old but it my first wedding. My most favorite memories are when Bobby and Rei would come visit my Mom (Aunt Sweetie) whenever they came in town (Quincy). Rei would give me the biggest hugs and always have the biggest smile as she listened to me. As I got older, Rei, Bobby, and the Boys were there for every stage of celebration in my life (high school, college, baby) with her big beautiful smile. I looked up to her more than I ever told her and I thank you Bobby was bringing this angel to our family. Best of Blessings family.
