“ Fred, I am so sorry for your loss. I remember Denise always with that great smile full of kindness and I know that she was an irreplaceable part of your life. Sooner or later these difficult moments come to our lives, sometimes unexpectedly, and I just hope you have the strength to endure this sad situation, and just think that she is in a better place where there is no suffering, and for sure she is smiling again looking at the great life that you had together. Respectfully Juan Lorenzo Leal and Fam.

“ My dear neighbor/friend, Cheryll, I will certainly miss your laughter, smile, and great conversations. God decided to accept His child at this time. We have special & caring neighbors within our little cul-des-sac , standards you lived by daily. God's strength, peace, & love upon Frederick & Coco & your friends & family. —

“ The day I met Cheryll, I knew we were kindred spirits. We worked together for over eight years, and our styles clicked on every level. But more important were the laughs over lunch, our heart to hearts, and sharing important moments in life, the good and the tough. Miss Cheryll (as my daughter affectionately called you for years), you will be forever in my heart. Missing you,
